Any stallion owner can still make his stallion eligible by remitting the late nomination fee of \$500 BEFORE December 1, 2015.

Payment to the **2015 Manitoba Sire Program** allows all of the stallion's progeny born in 2016 to be **eligible** for the Frank **Arnason Sire Stake** for 3 year old colts and geldings or the Hazel **Wright Sire Stake** for 3 year old fillies.

Payment qualifies the **stallion owner to earn stallion points** for their stallion's progeny during their two, three, four and five year old race seasons. Stallion points are also earned for progeny finishing first, second and third in all stake races regardless of age.

Non-Manitoba resident breeders who breed to Manitoba registered stallions and foal their mares in Manitoba are eligible to **earn breeder points**.

It is extremely important that stallion owners inform the CTHS office of any first time breeders and all nonresident mare owners who bred to Manitoba registered stallions in 2015. Please email or fax the CTHS office with their names and addresses so that we can mail them 2016 inutero nomination forms for their prospective foals.
