

The Canadian Thoroughbred Horse Society BC Division is pleased to announce we will be having a Horses of Racing Age Sale March 16, 2019 at Hastings Racetrack. The sale will be open to all horses that are of racing age. A gallop/work preview will be held on March 9, 2019.

Entry fee will be \$375 plus gst and a flat \$150 commission will be charged regardless of the sale price. Yearlings that passed through the 2018 CTHS BC mixed sale will not be charged an entry fee to the Horses of Racing Age Sale.

The CTHS looks forward to working with Darren MacDonald and his staff at Hastings to make this sale a success for everyone involved. More information about the sale will be posted on the CTHS BC and Hastings websites as soon as possible.
